YOUR VISION
OUR EXPERTISE

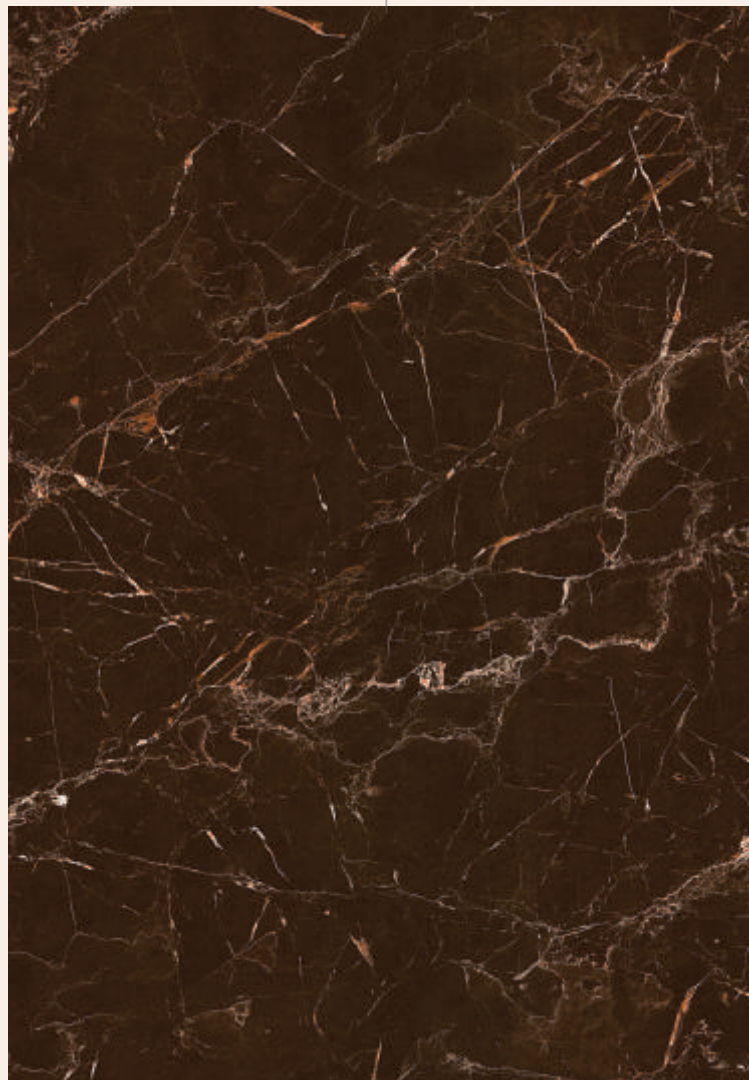

ABOUT US

We are one of the leading plywood manufactures in kerala, We have started business in the year 1998 into timber and ventured into plywood division in the year 2000. We established business specializing in quality timber, plywood. Our products are used throughout Tamilnadu and also we cover the major cities of Andhra Pradesh, Karnataka, Kerala and Maharashtra for domestic and industrial projects. Our clients has given excellent support and appreciated us for our quality products and dedicated services. We don't compromise on quality, we always give the best quality service. With a decade of rich experience, the company can easily manage large orders.

We have more than 500 dealer networks. We also manufacture flush doors, block boards and shuttering plywoods etc. We are supported by a team of experienced professionals by which the company has grown into leaps and bounds and played a major role in bringing up the company to great heights.
